

Best Practice -01 January-2026

A Progressive step of motivational lecture is initiated for all the students and teaching, non-teaching faculty members to improvise their mental and physical health. it is joint effort of NEP and IQAC committee in Chandra Shekhar Azad Auditorium, D.A-V. College, Kanpur organised in the month of January.

Lecture 1

'Jeevan mein uddeshy ki talash' by Dr. Avadh Dubey (a famous eye surgeon and motivational speaker) on **14th January 2026**

Lecture 2

'Zindagi jeene ke hunar' by **Dr. Raj Tilak** (A Renowned Paediatrician and famous Psychologist) on **31st January 2026**

These lectures motivated our students as well as all the faculty members to improvise quality of life by accepting, adjusting and act accordingly. All the lectures gave very important key point i.e. **'Be happy and distribute happiness'** to all in every condition.

Best Practice: 02

Continuous use of Sanitary Pad Vending Machine-

In the D.A-V. College a very healthy and hygienic practice is started for female teaching and non-teaching faculty along with students. This practice is a very nice initiative for making safe and secure atmosphere for females. The initiative of sanitary pad vending machine installation is a joint effort of DSW team and internal complaint committee under the aegis of FICCI ladies organization Kanpur chapter project '**Pankh**'.

It is a progressive step towards empowering young women ensuring their health and promoting dignity and awareness within the institution.
