

DR. NIDHI SRIVASTAVA

Ph.D.

D/O Shri A.K. Srivastava, Post – Maswanpur, Kanpur 208019 | +91 9716892070 |
drnidhisrivastava1209@gmail.com

Compassionate and result-oriented teacher with 4 years and 04 months of experience managing Under-Graduate and Post-Graduate classes. Skilled in delivering lectures, facilitating discussions and planning hands-on activities to enhance learning. Successful at collaborating with teachers, administrative leaders and support specialists to meet individual student needs.

EDUCATION

Doctor of Philosophy, 2018

Place of work: Department of Physiology
PhD Supervisor: Prof. Vani Gupta, MD
King George's Medical University, Lucknow, India

Thesis title:

- *To study the association of blood adipokines gene polymorphism and their level with hormonal variation in pre and postmenopausal women with and without metabolic syndrome.*

Master of Science in Microbiology, 2006

Place of work: D.G. P.G. College,
Chatrapati Shahuji Maharaj University, Kanpur, India.

Bachelor of Science in Zoology, Botany, Chemistry, 2003

Place of work: D.B.S. P.G. College, Kanpur
Chatrapati Shahuji Maharaj University, Kanpur, India.

TEACHING EXPERIENCE

Assistant Professor

Aug. 2019 – Till date
S.F.C Bio Science
D.A – V College Kanpur, (U.P)

PROFESSIONAL EXPERIENCE

Junior Research Fellow (DBT, New Delhi)

Aug 2008 – Oct. 2008
Department of Physiology
King George's Medical University, Lucknow 226003 U.P. India
Project title- Role of TG2 on ank mediated mineralization of articular cartilage

Senior Research Fellow (ICMR, New Delhi)

Oct. 2008- July 2011

Department of Physiology

King George's Medical University, Lucknow 226003 U.P. India

Project Title- Impact of metabolic risk factors and Il-6 promoter gene polymorphism on clinical and endocrinological profile of women with polycystic ovarian syndrome.

PEER-REVIEWED PUBLICATIONS

- **Srivastava N**, Gupta V, Kumar S, Association between circulating adiponectin level and metabolic risk factors in post-menopausal women: a population based study, International Journal of Biological & Pharmaceutical Research. 2015; 6(12): 939-94

CONFERENCES/ SYMPOSIA/ SEMINARS/ WORKSHOPS ATTENDED:

- UP-UK APPICON 2011, CME on Metabolic Syndrome. Lucknow, April 22-23th, 2011.
- 49th Annual conference of National Academy of Medical Science "NAMSCON" CSM Medical University, Lucknow on 24th September 2009.
- National Seminar on "Translational Health Research Pathways to Discovery Research cell, CSM Medical University, Lucknow on 24th September 2009.
- XIV Annual National Conference IMSCON-09 Surat, 2009.
- CME and State Level Refresher Course- conducted by Indian Medical Association, Lucknow Branch from 6-8th February 2008.
- IMS International Congress - Organized by Indian Menopause Society, New Delhi from 18th to 20th April 2008.

- CME and State Level Refresher Course-conducted by Indian Medical Association, Lucknow Branch from 26-28th October, 2007.
- International conference on Toxicology, Environmental and Occupational Health on 14-17 November 2005.
